According to the provisions of Annexes B2 and B5 of the Istanbul Convention on temporary imports of such goods, the Andorra Customs office of entry will only require a written undertaking to re-export the goods together with an invoice or a list of the imported goods.

As regards Circus, ATA Carnets will not be accepted for animals since Andorra has not signed Annex D of the Istanbul Convention relating to animals.

Correct identification of goods covered by ATA Carnets

As from 16 November 2005, Andorran Customs refuse to accept ATA Carnets in which the General List cannot guarantee the correct identification of the goods covered.

Issuing chambers are therefore requested to make sure that the lists give detailed description of the goods, including trademarks, models, serial numbers or factory references, colours, dimensions, etc.
