

CARNET NETWORK CIRCULAR 78

TO: All UK Carnet Issuing Chambers and Branches

SUBJECT: Change to the Certificate of Location Procedure

DATE: 09 February 2023

Dear Colleague,

Certificates of Location are currently issued as paper documents and sent by post.

HMRC has advised that, effective from 01 March 2023, Certificates of Location will be emailed to applicants as scanned documents. The format of the Certificate will remain unchanged and each document will be scanned in colour and contain HMRC stamp and signature.

Hard copies can be requested in exceptional cases, for example, if there is a claim against the Carnet and the claiming country only accepts paper documents as proof.

Please ensure that your Carnet Holders are aware of this change going forward.

Yours sincerely,

Davor Antonic-Mckinley
Head of ATA Carnet Procedures and Compliance
